

The 2020 Yokohama Sport Conference Abstract Results

Abstract_ID	Presentation Formats	Abstract Number	Topic	Discipline	The title of Abstract
50342	Oral	A01-R0001	Sport and Peace	Philosophy	Sports and Build a Community with Shared Future for Mankind : Mechanism and Path
51214	Oral	A01-R0002	Sport and Peace	Philosophy	Sport and Peace : What is Peace in Sport
50879	Oral	A02-R0004	Sport and Peace	History	Sports Diplomacy in the Olympic Movement
50068	Oral	A03-R0005	Sport and Peace	Sociology	Concept and Mechanism of Sports-Peace—Based on the theoretical exploration of the inter-paradigm synthesis path
50957	Oral	A03-R0006	Sport and Peace	Sociology	Research on the path of China's sports diplomacy construction from the perspective of public diplomacy-- a case study of Wuhan Military Games
50968	Oral	A03-R0007	Sport and Peace	Sociology	Chinese sports diplomacy and national identity
51192	Oral	A03-R0008	Sport and Peace	Sociology	The Chinese Model of Sports- Peace Theory
51359	Oral	A03-R0009	Sport and Peace	Sociology	Gender equality through sports – Case study of policy maker's perception in Thailand
51201	Oral	A04-R0010	Sport and Peace	Psychology	Countering the Trajectories towards New Forms of Violence in Youth: Enhancing Protective Factors through Sport
50255	Oral	A07-R0011	Sport and Peace	Management	Management Structures and Practices of a Community Youth Sport Foundation: A Case Study Analysis of a Non-Governmental Organization in Colombia
50506	Oral	A07-R0012	Sport and Peace	Management	The Influence of Sports Diplomacy in Promoting World Peace and Development
50096	Oral	A08-R0014	Sport and Peace	Growth and Development	Research on the Development of China's Maritime Sports Industry under the Concept of " Maritime Community with a Shared future
50083	Oral	B01-R0018	Values in Sport	Philosophy	Research on Mutual Demonstration and Communication of Chinese and Western Martial Arts Cultures under the "One Belt and One Road" Initiative
50084	Oral	B01-R0019	Values in Sport	Philosophy	Identification and deepening: a comparison between the aesthetic thought of HIGUCHI and the theory of somaesthetics
50609	Oral	B03-R0021	Values in Sport	Sociology	Impact of the Participation of Runners in Virtual Communities on Their Perception of Social Support and Identity
50612	Oral	B03-R0022	Values in Sport	Sociology	An Empirical Study of the Influence of Marathon Events on the Image of the Host City—A New Perspective Based on the Marathon Runners
51165	Oral	B03-R0024	Values in Sport	Sociology	Value Orientation : the Key to Sports Culture Innovation
50682	Oral	B04-R0026	Values in Sport	Psychology	Effects of traditional Chinese mind-body interventions on sleep problems in healthy adults and patients: a systematic review and meta-analysis
50811	Oral	B04-R0027	Values in Sport	Psychology	Exercise Behavior and Coping Style in Senior High School Students: The mediating role of Health Quotient
50036	Oral	B07-R0030	Values in Sport	Management	APPLYING VALUE METHODOLOGY TO IMPROVE THE VALUE OF OLYMPIC
50450	Oral	B07-R0031	Values in Sport	Management	What is the societal impact and public value of elite sport? A study pre- and post- the Tokyo 2020 Olympic Games in a non-hosting country
50881	Oral	B07-R0033	Values in Sport	Management	Movement "Sport for All" as a way to promote Olympic Values 9on the example of the Russian Federation)
50122	Oral	B13-R0037	Values in Sport	Cultural Anthropology	Cultural Study on China Women's National Volleyball Team Spirit's Role in Guiding the Revitalization of Three Ball Games
50455	Oral	B15-R0039	Values in Sport	Nursing, Welfare and Health Promotion	Traditional Chinese martial arts: a form of medicine in motion
51325	Oral	B15-R0040	Values in Sport	Nursing, Welfare and Health Promotion	The effect of yoga on pelvic floor muscle strength, body shape and postpartum mental status of postpartum women
50105	Oral	C03-R0042	Sport and Human Rights	Sociology	Effect of Aerobics Teaching on Mental Disabilities Children's Physical Fitness
50960	Oral	C03-R0043	Sport and Human Rights	Sociology	Research on the development of sports human rights concept under the background of Olympic agenda 2020
50152	Oral	C16-R0046	Sport and Human Rights	Others	Research on the Public Hearing in International Sports Arbitration
50263	Oral	D01-R0047	Sport and Body Culture	Philosophy	A Research on the Main Characteristics of the Traditional Body Knowledge of Chinese Taichi (or Taijiquan)

The 2020 Yokohama Sport Conference Abstract Results

Abstract_ID	Presentation Formats	Abstract Number	Topic	Discipline	The title of Abstract
50949	Oral	D02—R0052	Sport and Body Culture	History	On the Changes of Health Qigong from the Origin of Dawu
51250	Oral	D02—R0055	Sport and Body Culture	History	A History of Freestyle Football from Lifting Tricks to Lifestyle Sports
51374	Oral	D02—R1059	Sport and Body Culture	History	Historical Study on Changes of the physical activity programs in the Japanese Recreation Congresses
50139	Oral	D03—R0058	Sport and Body Culture	Sociology	The Body in Sports Fashion: The Interlacing of Nature,Society and Culture
50382	Oral	D03—R0060	Sport and Body Culture	Sociology	The Development and Significance of China's Square Dance Culture
51147	Oral	D03—R0061	Sport and Body Culture	Sociology	Representations of tattooing rugby players during the Rugby World Cup 2019
51285	Oral	D03—R0062	Sport and Body Culture	Sociology	The visual interpretation and communication of TaiChi in traditional Chinese culture
51021	Oral	D04—R0063	Sport and Body Culture	Psychology	The role of trait emotional intelligence on compulsive exercise in adolescents
50176	Oral	D05—R0064	Sport and Body Culture	Physiology	An Experimental Study of the Effects of Baduanjin on Self-Rated Health of “Weak” University Students
50024	Oral	D07—R0065	Sport and Body Culture	Management	Body Culture Coordinated Development of Chinese Competitive Martial Arts and Traditional Martial Arts in the Reform and Transformation Period
50727	Oral	D11—R0069	Sport and Body Culture	Aging and Health Promotion	Effects of adapted Tai Chi on motor control in Patients with Parkinson Disease : A Randomized Controlled Trial
50894	Oral	D12—R0073	Sport and Body Culture	Pedagogy	Citespace visualizations of studies on physical health of Chinese students from 1998 to 2020
50493	Oral	D13—R0075	Sport and Body Culture	Cultural Anthropology	Cross-cultural Experience and Adaptation of Chinese Kungfu Coaches in Amitofo Care Centre in Africa
50848	Oral	D13—R0077	Sport and Body Culture	Cultural Anthropology	A Cultural Anthropology Survey on Folk Athletic ——The Field Work From Bamboo Canoe Drifting Activity in Chishui Guizhou
51277	Oral	D13—R0078	Sport and Body Culture	Cultural Anthropology	A Study on the Educational Function of Sports Ceremony From the Perspective of Civilization and Progress
50106	Oral	E03—R0083	Sport and Sustainable Development	Sociology	Problems in Developing Winter Sports in China and Countermeasures
50325	Oral	E03—R0085	Sport and Sustainable Development	Sociology	Sustainable development at the Beijing Olympic Games
50365	Oral	E03—R0087	Sport and Sustainable Development	Sociology	Sustainable Development: 2022 Beijing Winter Games
50541	Oral	E03—R0089	Sport and Sustainable Development	Sociology	Development of Concept and Implementation of Green Olympic in China--- From 2008 Summer Olympics to 2022 Winter Olympics
50652	Oral	E03—R0090	Sport and Sustainable Development	Sociology	The Primary Exploration of The Construction of Scientific Discourse System of Chinese Wushu Intercultural Communication
50763	Oral	E03—R0091	Sport and Sustainable Development	Sociology	Sustainable Development: 2020 Tokyo Olympic Games
50822	Oral	E03—R0092	Sport and Sustainable Development	Sociology	Research on the Development Path of Chinese Martial Arts Cultural Resources
51310	Oral	E03—R0097	Sport and Sustainable Development	Sociology	Research on sustainable management of Olympic legacy -- a case study of Beijing 2022 winter Olympic Games
51330	Oral	E03—R0098	Sport and Sustainable Development	Sociology	On Connotation of The Evaluation Index of Sports Cities
50040	Oral	E07—R0102	Sport and Sustainable Development	Management	The development way of China's sports industry: it is to realize the value of the industry
50102	Oral	E07—R0103	Sport and Sustainable Development	Management	The dilemma and countermeasures of Chinese basketball events from the perspective of sustainable development
50143	Oral	E07—R0104	Sport and Sustainable Development	Management	Research on Construction Orientation of New Type Sports Think Tank with Chinese Characteristics—— From Perspective of Supply-side Structural Reform of Decision Consulting
50187	Oral	E07—R0105	Sport and Sustainable Development	Management	Management Strategies of Sports Private Sector during the Economic Growth Slowdown in China
50530	Oral	E07—R0106	Sport and Sustainable Development	Management	AISAS Model Analysis and Recommendations for Sports Consumption Behavior in the Network Age

The 2020 Yokohama Sport Conference Abstract Results

Abstract_ID	Presentation Formats	Abstract Number	Topic	Discipline	The title of Abstract
50782	Oral	E07—R0108	Sport and Sustainable Development	Management	Research on the Reform Path of International Sports Events in the Post-globalization Era
51061	Oral	E07—R0109	Sport and Sustainable Development	Management	Shaping Sustainable Skiing Market in China: Promoting the Level of Participation in Leisure Skiing Based on the Push-Pull Theory
50121	Oral	E08—R0112	Sport and Sustainable Development	Growth and Development	Issues in the China Sports' Training System for Chinese Youth Basketball Players and the Solutions
50324	Oral	E08—R0117	Sport and Sustainable Development	Growth and Development	Motivation of rural sports under Sustainable Development
50359	Oral	E08—R0118	Sport and Sustainable Development	Growth and Development	Research on the development of Sports Rehabilitation under the Background of Sports and Medicine Integration
50559	Oral	E08—R0119	Sport and Sustainable Development	Growth and Development	How is Table Tennis Used to Boost City Development of Shanghai? A Qualitative Inquiry
50586	Oral	E08—R0120	Sport and Sustainable Development	Growth and Development	From talent development to dual career development? A case study in a Finnish sports environment
50705	Oral	E08—R0122	Sport and Sustainable Development	Growth and Development	Research on the Inspiration of the Japan Cup for Chinese Horse Racing Development
50895	Oral	E08—R0123	Sport and Sustainable Development	Growth and Development	Research on the team construction of Chinese karate coaches
50962	Oral	E08—R0124	Sport and Sustainable Development	Growth and Development	Research on the Sustainable Development path of Adolescent competitive Sports under the background of Youth Olympic Games
50023	Oral	E10—R0126	Sport and Sustainable Development	Coaching and Training	An ecosystem for sport talent identification and development
50625	Oral	E10—R0128	Sport and Sustainable Development	Coaching and Training	The Study on the Strategies of the Sustainable Development of the Curling Club after Winter Olympics
50232	Oral	E12—R0129	Sport and Sustainable Development	Pedagogy	Healthy Development of Urban Sports Service Industry for People's Livelihood in China
50233	Oral	E12—R0130	Sport and Sustainable Development	Pedagogy	Research on the Construction Path of Sports Characteristic Towns
51432	Oral	E12—R0132	Sport and Sustainable Development	Pedagogy	The Hidden Foundation of Sports for Constructing the Cultivation Road of Students' Core Accomplishments
51439	Oral	E12—R0133	Sport and Sustainable Development	Pedagogy	Thinking and Behavior of Physical Education in Colleges and Universities During 2019-nCoV Epidemic
50075	Oral	E13—R0134	Sport and Sustainable Development	Cultural Anthropology	A study on the intelligent management of Chinese martial arts cultural resources
50411	Oral	E16—R0138	Sport and Sustainable Development	Others	An Empirical Study on the Construction of Evaluation Index System of Universities' Sports Organizations
50212	Oral	F01—R0141	Sport and Integrity	Philosophy	Accessing Motional Quotient for All Round Development
50389	Oral	F01—R0142	Sport and Integrity	Philosophy	Linguistic communication and violence in coaching practices
50542	Oral	F01—R0143	Sport and Integrity	Philosophy	From Causality to Interaction : the Turning of Logic on Normativity of Moral Actions in Sport Contests
50996	Oral	F01—R0144	Sport and Integrity	Philosophy	Ethic of sports ethics- Face-to-face relationship between researchers and sports communities -
50470	Oral	F03—R0146	Sport and Integrity	Sociology	Spreading Integrity at the BeijingOlympics
50130	Oral	F13—R0149	Sport and Integrity	Cultural Anthropology	Research on the Relationship between National Identity and Traditional Sports Attitude of National Minorities College Students
50429	Oral	F16—R0150	Sport and Integrity	Others	The fight against sports betting related manipulation of sports competitions: a comparative legal study between France and Japan
50016	Oral	G03—R0152	Diversity and Inclusion	Sociology	Dance performances of cheering squads and the construction of heterosexuality
50320	Oral	G03—R0155	Diversity and Inclusion	Sociology	Sociological Study of the Visually Impaired Sport (No.1) :Social construction of the Blind Marathon Runner's "Vision"
51042	Oral	G03—R0158	Diversity and Inclusion	Sociology	Sociological Study of Visually Impaired Sport (No.2) : A study on the organization of daily sports activities for the visually impaired.
50073	Oral	G08—R0160	Diversity and Inclusion	Growth and Development	Communication and mutual learning between Chinese and western martial arts culture-- thoughts on building a "One Belt And One Road" community of Shared future

The 2020 Yokohama Sport Conference Abstract Results

Abstract_ID	Presentation Formats	Abstract Number	Topic	Discipline	The title of Abstract
50731	Oral	G12-R0163	Diversity and Inclusion	Pedagogy	Empowerment of children from vulnerable social backgrounds through Sport Education
50012	Oral	G13-R0165	Diversity and Inclusion	Cultural Anthropology	Sports for Fun or Competition? Negotiating Sports Careers among Kabaddi Players in Hong Kong
50245	Oral	G13-R0167	Diversity and Inclusion	Cultural Anthropology	Research on Modern Dragon Dance Ritual from the Perspective of Custom Interaction ———A case study in Xidong village Bandeng Dragon Dance of Pujiang county
51350	Oral	H02-R0178	Sport and Gender	History	Historical analysis of the bodily representation of female athletes: Kinue Hitomi's "prone episode"
50128	Oral	H03-R0179	Sport and Gender	Sociology	Development of Female sports in ChinaSoochow University School of Physical Education and Sports, Suzhou city, Jiangsu Pro, China
50327	Oral	H03-R0182	Sport and Gender	Sociology	The Olympic Movement and Gender Equality in Chinese Sport Governing Bodies
50378	Oral	H03-R0183	Sport and Gender	Sociology	Motivation and restriction of physical activities for mothers with two children in China
50678	Oral	H03-R0184	Sport and Gender	Sociology	Research on the Media Image of Female Athletes in the Winter Olympics: Taking the People's Daily as an Example (1980-2018)
50692	Oral	H03-R0185	Sport and Gender	Sociology	Women's Judo and the Issues behind the White-Striped Belt in Japan
50809	Oral	H03-R0186	Sport and Gender	Sociology	What is needed in sports in Japan to support LGBT athletes? : Based on the results of questionnaire survey of instructors and JSPO organizations
51113	Oral	H03-R0189	Sport and Gender	Sociology	Gender Equality of Decision Maker in International Sports Organizations
51204	Oral	H03-R0190	Sport and Gender	Sociology	Research on media image reconstruction of female athletes under the background of agenda setting
50088	Oral	H07-R0195	Sport and Gender	Management	The design of a sports marketing model for women's professional sport in Iran
51276	Oral	H07-R0197	Sport and Gender	Management	Implementing gender equality strategy in Japanese sport organization: lessons learned from the European toolkit
50967	Oral	H08-R0198	Sport and Gender	Growth and Development	The influence of low body-mass on bone mineral density in female junior high school athletes
51010	Oral	H08-R0199	Sport and Gender	Growth and Development	Research on the dilemma of female sports development
50892	Oral	H13-R0204	Sport and Gender	Cultural Anthropology	Contributing to Social Transgression through Dance: Gender, Diaspora and Cambodia's First Gay Classical Dance Company
50764	Oral	I03-R0211	Sustainable Development in Sports Organization	Sociology	The Status Quo Analysis on the International Sport Organizations'Leadership Personnel
50015	Oral	I07-R0215	Sustainable Development in Sports Organization	Management	Is too much winning a bad thing? A study of competitive balance and live spectatorship in Southeast Asian professional football leagues.
50144	Oral	I07-R0216	Sustainable Development in Sports Organization	Management	Constructing a "Pyramid-Type " Co-Construction and Sharing Governance Model of Sports Social Organization
50145	Oral	I07-R0217	Sustainable Development in Sports Organization	Management	Research on the Resource-reciprocal Sustainable Development Relationship between Sports Associations and External Environment
50146	Oral	I07-R0218	Sustainable Development in Sports Organization	Management	The Sustainable Development Path of Human Resources Management of Sports Associations from the Perspective of Organizational Culture
50157	Oral	I07-R0219	Sustainable Development in Sports Organization	Management	Research on the Causes and Paths of the Integrated Development of Sports Industry and Health Industry Under the Healthy China Initiative
50549	Oral	I07-R0220	Sustainable Development in Sports Organization	Management	Study on Career Barriers of Chinese members Joining in International Sports Organization on the Basis of Career Anchor Theory
50649	Oral	I07-R0221	Sustainable Development in Sports Organization	Management	Research on the evolution and influencing factors of the world women's tennis professional competitions
50765	Oral	I07-R0222	Sustainable Development in Sports Organization	Management	Research on the development status and countermeasures of China's non-governmental running sports organizations
51150	Oral	I07-R0226	Sustainable Development in Sports Organization	Management	Motivation, Satisfaction and loyalty of volunteers in special sports events
51395	Oral	I07-R0227	Sustainable Development in Sports Organization	Management	China's Youth Sports Training Market and Its Supervision System under the Background of "Healthy China"
50140	Oral	I08-R0228	Sustainable Development in Sports Organization	Growth and Development	Research on the Development of Chinese Sports Social Organizations in the New Era

The 2020 Yokohama Sport Conference Abstract Results

Abstract_ID	Presentation Formats	Abstract Number	Topic	Discipline	The title of Abstract
50348	Oral	I10-R0229	Sustainable Development in Sports Organization	Coaching and Training	The Development of Flag Football Training of the Blue Knights of Sports Unlimited Youth Academy
50828	Oral	I12-R0230	Sustainable Development in Sports Organization	Pedagogy	Citespace Visualizations of Studies on Chinese Folk Sport Organization
50295	Oral	I16-R0233	Sustainable Development in Sports Organization	Others	From attendance to purchase: The relationship between games attendance motivations and sports consumption behavior among international students
50867	Oral	J04-R0235	Coaching	Psychology	Effectiveness of Mindfulness Meditation in Intervention for Athletes' psychological states: A meta-analysis
50869	Oral	J04-R0236	Coaching	Psychology	A Randomized Controlled Trial of Brief Mindfulness Training Intervening Flow and Resilience in Athletes
51219	Oral	J04-R0239	Coaching	Psychology	Skill differences in movement adjustment of Kosotogari in judo
50312	Oral	J06-R0246	Coaching	Biomechanics	BIOMECHANICS ANALYSIS OF GOLF SWING OF CHINESE FEMALE NATIONAL TEAM PLAYERS
50716	Oral	J06-R0247	Coaching	Biomechanics	Kinematic analysis of the running motion for skeleton athletes during the start phase at international competitions
50926	Oral	J06-R0250	Coaching	Biomechanics	Role of knee flexion for trunk twist torque output during the bar twist
50984	Oral	J06-R0251	Coaching	Biomechanics	Kinematics of a World Champion Dancer: Forward Lunge Movement in Slow Waltz Dance
51101	Oral	J06-R0253	Coaching	Biomechanics	Biomechanical Analysis of Female Basketball Players' defensive movements
50037	Oral	J07-R0256	Coaching	Management	Gambling with leadership succession in Brazilian football: a scientific evaluation of head coach turnovers and their impact on team performance.
50089	Oral	J10-R0258	Coaching	Coaching and Training	Exploratory clustering of acting in the free routine on youth Artistic Swimmers
50180	Oral	J10-R0261	Coaching	Coaching and Training	Analysis and research on the competition content of women's para-taekwondo athletes in the national games
50258	Oral	J10-R0264	Coaching	Coaching and Training	Physical Fitness Evaluation and Training Strategies for Chinese Elite Canoe Slalom Players
50262	Oral	J10-R0265	Coaching	Coaching and Training	Repetition or Differentiation: The Influence of Different Training Approaches on Improving the Performance of Traditional Archery
50332	Oral	J10-R0266	Coaching	Coaching and Training	Effect of rest-redistribution on RPE and tissue oximetry during eccentric knee extensions
50485	Oral	J10-R0270	Coaching	Coaching and Training	Analysis of Winning Factors in Cheerleading
50626	Oral	J10-R0278	Coaching	Coaching and Training	Physical and technical performance differences between Chinese Under-23 and other players according to playing positions in the Chinese Football Super League
50797	Oral	J10-R0282	Coaching	Coaching and Training	A questionnaire survey on current situations and problems of throwing injury prevention in high school baseball players
50866	Oral	J10-R0285	Coaching	Coaching and Training	Examination of accuracy about the notational analysis in futsal
50925	Oral	J10-R0289	Coaching	Coaching and Training	The annual monitoring and analysis of biochemical indexes of female kayakers
51262	Oral	J10-R0303	Coaching	Coaching and Training	A study on attacks started by the goalkeeper in football. -An examination and comparison of play factors affecting effective attack-
51329	Oral	J10-R0304	Coaching	Coaching and Training	The Importance of Throwing Events in Decathlon
51357	Oral	J10-R0306	Coaching	Coaching and Training	Appropriate bow power for improving hit rate in Kyudo
51367	Oral	J10-R0307	Coaching	Coaching and Training	Research of feature and tendency of technique application of female finalists in the past two World taekwondo championships
51372	Oral	J10-R0308	Coaching	Coaching and Training	Characteristics of prohibited act of male champion athletes in the 2019 World Taekwondo Championship from different perspectives
51387	Oral	J10-R0309	Coaching	Coaching and Training	Comparison of prohibited actions of male finalists between 2017 and 2019 World Taekwondo Championships
51427	Oral	J10-R0314	Coaching	Coaching and Training	research on paths of taekwondo training for teenagers of different ages

The 2020 Yokohama Sport Conference Abstract Results

Abstract_ID	Presentation Formats	Abstract Number	Topic	Discipline	The title of Abstract
51449	Oral	J10-R0315	Coaching	Coaching and Training	Analysis on the Characteristics of Chinese Women's Sabre Excellent Athlete Qian Jiarui's Application of Offensive and Defensive Techniques
50033	Oral	J10-R1042	Coaching	Coaching and Training	"Existential counselling as a theoretical framework for sport coaching."
50149	Oral	K03-R0319	Support for Athletes	Sociology	Research on the Realization Path of China's Diving Olympic Champion Winning Again
50608	Oral	K04-R0326	Support for Athletes	Psychology	Research on the Multiple Mediator Models of the Influence of the Motivation Climate of College Volleyball Team Coaches on Team Effectiveness
50812	Oral	K04-R0331	Support for Athletes	Psychology	Survey and Analysis on the Mental Health Management Services Needs for Disabled Athletes
50980	Oral	K04-R0333	Support for Athletes	Psychology	The qualitative analysis on Imagery trait of Korean elite golfers.
50049	Oral	K05-R0345	Support for Athletes	Physiology	Correlation between VO2max and the Changes in Cardiac Output and Muscle Oxygen during Acute Hypoxia Exercise
50217	Oral	K05-R0351	Support for Athletes	Physiology	Compensatory Effect Between Mitochondrial Enzyme Complex II and I During the Repair of Skeletal Muscle After Blunt Injury
50490	Oral	K05-R0352	Support for Athletes	Physiology	EFFECTS OF WATER IMMERSION THERAPY AND WHOLE BODY CRYOTHERAPY ON SUBJECTIVE SLEEP QUALITY, MUSCLE, AND INFLAMMATORY RESPONSE FROM CHINESE MIDDLE-AND LONG-DISTANCE RUNNERS AFTER MUSCLE DAMAGE
50679	Oral	K05-R0353	Support for Athletes	Physiology	Moderate exercise increases the intestinal barrier permeability in athletes with high risk of FGIDs
50697	Oral	K05-R0354	Support for Athletes	Physiology	The Effect and Mechanism of Bio-holography and Acupoint Rubbing on Dysmenorrhea of Female Athletes
50310	Oral	K06-R0358	Support for Athletes	Biomechanics	The influence of Nordic hamstring exercise on lower-limb asymmetry of hamstring injury athletes
50745	Oral	K06-R0360	Support for Athletes	Biomechanics	Lack of gait adjustment is associated with the occurrence of Iliotibial band syndrome
51389	Oral	K06-R0364	Support for Athletes	Biomechanics	The Characteristics on the Knee Joint Load of the Table Tennis Players during Completing the Main Attacking Techniques
50914	Oral	K07-R0367	Support for Athletes	Management	Analysis on Support for Athlete Career Development in China
50615	Oral	K08-R0368	Support for Athletes	Growth and Development	Morphology of Japanese high school baseball players: Comparisons between positions and grades
50499	Oral	K10-R0374	Support for Athletes	Coaching and Training	The Influence of High Intensity Interval Training on the Aerobic Ability of Elite Rowers
50753	Oral	K10-R0378	Support for Athletes	Coaching and Training	An Analysis and Coping Strategies Research on Table Tennis Matches TTR System in Tokyo Olympic Games—Based on Umpire's Perspective
51207	Oral	K10-R0384	Support for Athletes	Coaching and Training	The Effective Evaluation of Arm Stroke Technique In Front Crawl
50691	Oral	K11-R0387	Support for Athletes	Aging and Health Promotion	A Study on the Health Survey of Dance Members Winning the Creative Dance Competition
50865	Oral	K12-R0389	Support for Athletes	Pedagogy	Citespace Visualizations of Studies on Psychological researches of Chinese shooting Athletes
51409	Oral	K14-R0391	Support for Athletes	Adapted Sport	The effect of rehabilitation training on elite athletes following anterior cruciate ligament reconstruction
50826	Oral	K15-R0392	Support for Athletes	Nursing, Welfare and Health Promotion	Serum 25(OH)D status among ice hockey players and relevant nutritional knowledge survey
50113	Oral	K16-R0395	Support for Athletes	Others	Conservative Management of Medial Collateral Ligament Tear in An Elite Rhythmic Gymnast before A Competition : A Case Report
50306	Oral	K16-R0396	Support for Athletes	Others	Design and Development of Volleyball Comprehensive Scientific Research and Service Platform within the Concept of Big Data Fusion
50376	Oral	K16-R0397	Support for Athletes	Others	The effects of caffeine ingestion on badminton performance
50439	Oral	K16-R0398	Support for Athletes	Others	Research on the Correlation between Endurance Quality and Competitive Performance of Women's Boxing Athletes
50151	Oral	L03-R0411	Top Athlete and Society	Sociology	The Logic Behind the Philanthropy of Sports Stars
51251	Oral	L10-R0416	Top Athlete and Society	Coaching and Training	Comparison of Line-changing Strategies in Different Table tennis ball era

The 2020 Yokohama Sport Conference Abstract Results

Abstract_ID	Presentation Formats	Abstract Number	Topic	Discipline	The title of Abstract
51450	Oral	L10—R0420	Top Athlete and Society	Coaching and Training	Analysis on the characteristics of wjy's technique and tactics in the 2019 world taekwondo championships
50982	Oral	L16—R0422	Top Athlete and Society	Others	The Current Situation of Communication with Social Media by Foreign Sports Stars and Revelation
50127	Oral	M02—R0423	Promotion of Sport and Physical Activity	History	The Past and Present of American Football in China
50400	Oral	M03—R0425	Promotion of Sport and Physical Activity	Sociology	Study on the influence factors of physical activity of primary school children
50752	Oral	M03—R0429	Promotion of Sport and Physical Activity	Sociology	Current situation of user experience and development suggestions of Chinese fitness app in the perspective of word frequency analysis
51084	Oral	M03—R0430	Promotion of Sport and Physical Activity	Sociology	Research on the construction of Jiangsu Football Public Information Service Platform
51176	Oral	M03—R0431	Promotion of Sport and Physical Activity	Sociology	The impact of mega sports events on sport populationFocusing on the registered membership and the implementation rate in Japan
51447	Oral	M03—R0432	Promotion of Sport and Physical Activity	Sociology	Family Capital and Sport Private Tutoring, Experience and perspective of Guangdong and Hunan, China
50022	Oral	M04—R0433	Promotion of Sport and Physical Activity	Psychology	Pattern of Physical Activity and Its Implication on Health Problems and Life Satisfaction: An Evidence from Adults in Indonesia
50818	Oral	M04—R0438	Promotion of Sport and Physical Activity	Psychology	The Physical Exercise and Academic Self-esteem in Middle School Students
51196	Oral	M04—R0441	Promotion of Sport and Physical Activity	Psychology	Using social cognitive theory to predict physical activity of adolescents in rural and urban areas of China
51340	Oral	M04—R0443	Promotion of Sport and Physical Activity	Psychology	A Study on the Influence of Junior High School Students' Exercise Intention on School Physical Education Environment
50328	Oral	M05—R0445	Promotion of Sport and Physical Activity	Physiology	The Study on Estimation Maximum Heart Rate of Chinese College Students Based on Resting Cardiac Function
50838	Oral	M05—R0449	Promotion of Sport and Physical Activity	Physiology	Effects of high-intensity intermittent training and medium-intensity continuous training on lactic acid and serum enzymes of female college students.
50994	Oral	M05—R0452	Promotion of Sport and Physical Activity	Physiology	Feature of changes in vascular function among recessive obese women after aerobic exercise
51083	Oral	M05—R0453	Promotion of Sport and Physical Activity	Physiology	The Relationship between College Students' Core Self-evaluation and Mental Health: the Regulating Effect of Mental Resilience
51309	Oral	M05—R0456	Promotion of Sport and Physical Activity	Physiology	The role and mechanism of clock gene Per2 in muscle injury repair
51145	Oral	M06—R0459	Promotion of Sport and Physical Activity	Biomechanics	Proprioceptive neuromuscular facilitation Improves Stair Ascent Function in Elderly with Knee Osteoarthritis
50577	Oral	M07—R0462	Promotion of Sport and Physical Activity	Management	Research on Ice and Snow Sports Policies in China Based on the Two-dimensional Policy Tools Framework
50580	Oral	M07—R1043	Promotion of Sport and Physical Activity	Management	A Study of Construction of Guidance System for China's National Fitness Campaign
50025	Oral	M08—R0465	Promotion of Sport and Physical Activity	Growth and Development	Dose-effect Relationship of Exercise and Health Promotion in Overweight/obese Children and Adolescents
50062	Oral	M08—R0466	Promotion of Sport and Physical Activity	Growth and Development	Research on the attention degree of China's three small ball network under the background of big data
51231	Oral	M08—R0469	Promotion of Sport and Physical Activity	Growth and Development	Whether "adolescent awkwardness" exists or not: a study of motor performance among adolescents aged 10 to 18 years
50018	Oral	M10—R0472	Promotion of Sport and Physical Activity	Coaching and Training	Effect of High-intensity Interval Training with Increased Intensity on body and exercise capacity of an injury recovering cyclist
51166	Oral	M10—R0479	Promotion of Sport and Physical Activity	Coaching and Training	Examination of video feedback for a self-learning environment in swimming
50457	Oral	M11—R0484	Promotion of Sport and Physical Activity	Aging and Health Promotion	The effect of walking exercises to health physical fitness of late middle-aged sedentary adults
50594	Oral	M11—R0486	Promotion of Sport and Physical Activity	Aging and Health Promotion	Effect of Tap Dance on functional fitness of older adults with diabetes: a randomized controlled trial
50804	Oral	M11—R0489	Promotion of Sport and Physical Activity	Aging and Health Promotion	The Influence of Exercise, Dietary Restriction and Hypoxia on Blood Lipid in Obese People
50862	Oral	M11—R0493	Promotion of Sport and Physical Activity	Aging and Health Promotion	Efficacy of plastic water bottle-based resistance exercises and self-body weight-based resistance exercises on a remote island dwelling older adults in Japan

The 2020 Yokohama Sport Conference Abstract Results

Abstract_ID	Presentation Formats	Abstract Number	Topic	Discipline	The title of Abstract
50910	Oral	M11-R0495	Promotion of Sport and Physical Activity	Aging and Health Promotion	Effect of Walkability of Residential Area Surrounding Environment on Leisure Physical Activity of Elderly
50951	Oral	M11-R0496	Promotion of Sport and Physical Activity	Aging and Health Promotion	Research on the Influence of Tai Neng Quan Training on the Balance Function of Patients with Parkinson
51008	Oral	M11-R0498	Promotion of Sport and Physical Activity	Aging and Health Promotion	Research on Chinese Elderly's Physical Activity Participation Stratification: Associated with Socio-economic Status
51131	Oral	M11-R0501	Promotion of Sport and Physical Activity	Aging and Health Promotion	Tai Chi exercises influence on Superior Frontal Gyrus; A systematic META-analysis
51185	Oral	M11-R0503	Promotion of Sport and Physical Activity	Aging and Health Promotion	Overweight and obesity in middle-aged men is affected by fitness level during university: J-Fit+ Study
51294	Oral	M11-R0504	Promotion of Sport and Physical Activity	Aging and Health Promotion	Improving children and parents' physical activity through a family-based program
51365	Oral	M11-R0505	Promotion of Sport and Physical Activity	Aging and Health Promotion	A Finnish-German Approach to the Primary Prevention for the Health of Older Adults and the Development of Sport and Health Science
51403	Oral	M11-R0506	Promotion of Sport and Physical Activity	Aging and Health Promotion	Effect of Physical Activity on Chinese Elderly People's Health Expenditure: Based on CHARLS 2015
50349	Oral	M12-R0507	Promotion of Sport and Physical Activity	Pedagogy	The development of Wushu in Physical Education
51271	Oral	M12-R0509	Promotion of Sport and Physical Activity	Pedagogy	Improving children's motor skills through a family-based intervention: Results from a randomized controlled trial
50906	Oral	M13-R0511	Promotion of Sport and Physical Activity	Cultural Anthropology	Chiang Ku Festival in Yi-lan, Northeastern Taiwan-Focusing on the transition from cultural activities to sports-
51056	Oral	M14-R0513	Promotion of Sport and Physical Activity	Adapted Sport	Analysis on the Technical characteristics and Development trend of World Elite Badminton Men's doubles players
50367	Oral	M15-R0515	Promotion of Sport and Physical Activity	Nursing, Welfare and Health Promotion	Analysis of Factors Influencing Scientific Physical Activity of Chinese Children and Adolescents
51015	Oral	M15-R0517	Promotion of Sport and Physical Activity	Nursing, Welfare and Health Promotion	Family Function and Exercise Behavior of College Students : the Moderating Role of Parental Education
51016	Oral	M15-R0518	Promotion of Sport and Physical Activity	Nursing, Welfare and Health Promotion	Environmental determinants of adolescent sedentary behavior: a scoping review based on ICF-CY
50491	Oral	M16-R0524	Promotion of Sport and Physical Activity	Others	Investigation on the Causes of College Students' Sedentary Lifestyle
50545	Oral	M16-R0525	Promotion of Sport and Physical Activity	Others	Study on Urban Park Space and Sports Behavior
51341	Oral	M16-R0527	Promotion of Sport and Physical Activity	Others	Research on the Sports and Leisure "Sports Complex" Model Based on the Transformation of the Abandoned Factory in China
50168	Oral	N03-R0528	Sport for Children	Sociology	The re-understanding of Chinese children's sports
50579	Oral	N03-R0530	Sport for Children	Sociology	Impact of the Promotion of Sport for Children on Improving Adolescents' Physical
50539	Oral	N04-R0534	Sport for Children	Psychology	Youth sport participation and burnout —The necessity for dual careers
50620	Oral	N04-R0535	Sport for Children	Psychology	The Effect and Mechanism of aerobic fitness on basic mathematical ability in children
50519	Oral	N05-R0537	Sport for Children	Physiology	The Effects of High-Intensity Interval Training on Body Composition and Aerobic Capacity in Obese and Overweight Children and Adolescents: A Meta-analysis.
50690	Oral	N05-R0538	Sport for Children	Physiology	Influence of 6 Months Sport Dance Training on Balance Ability in 9-10-year-old Pupils
50739	Oral	N07-R0543	Sport for Children	Management	Impact of Perceived Value on Behavior Intention of Parent-Child Runners in a Marathon Event held in China
50917	Oral	N07-R0544	Sport for Children	Management	The influence of sports life career during adolescence on sports participation in adulthood:As mediation to awareness and attitude toward sports.
50058	Oral	N08-R0545	Sport for Children	Growth and Development	An Analysis of poor eyesight status and changing trend in Macau children and teenagers (7-18 years old)
50186	Oral	N08-R0548	Sport for Children	Growth and Development	Prevalence of Overweight and Obesity Among Children with Intellectual Disabilities in China
50189	Oral	N08-R0549	Sport for Children	Growth and Development	Overweight and Obesity Among Students With Intellectual Disabilities in Beijing City

The 2020 Yokohama Sport Conference Abstract Results

Abstract_ID	Presentation Formats	Abstract Number	Topic	Discipline	The title of Abstract
50388	Oral	N08-R0555	Sport for Children	Growth and Development	Trends and Influence Factors of Physical Fitness among Preschool Children in China from 2005 to 2015
50720	Oral	N08-R0556	Sport for Children	Growth and Development	Study on the current situation of Chinese children and primary school students' sports game curriculum
51332	Oral	N08-R0567	Sport for Children	Growth and Development	Perceived educational quality in an after-school sports program in Segovia: the voice of schoolchildren
51402	Oral	N08-R0568	Sport for Children	Growth and Development	The Relationship between Physical Fitness and Gross Motor Development among 3-6-Year-Old Children in Beijing
51419	Oral	N08-R0569	Sport for Children	Growth and Development	Validity of the subjective evaluation by childcare workers-Comparison with the objective evaluation by motor performance tests-
51260	Oral	N10-R0573	Sport for Children	Coaching and Training	A Study on the Correlation between Motor competence and Performance of Juvenile Swimmers
50304	Oral	N12-R0577	Sport for Children	Pedagogy	The Development and Application of Kid's Athletics
50634	Oral	N12-R0580	Sport for Children	Pedagogy	On the Strategies of Introducing Wushu into Schools
50713	Oral	N12-R0582	Sport for Children	Pedagogy	An experimental study on the integration of TGFU into Movement Education Model to promote the development of Locomotor Movement skills of 5-6-year-old children
50821	Oral	N12-R0584	Sport for Children	Pedagogy	A Visual Clustering Analysis of Chinese Early Childhood Sport Research in the Past 20 Years
51012	Oral	N12-R0587	Sport for Children	Pedagogy	Research on the Effect of Exercise Intervention on Mental Health of Rural Left-behind Children
51044	Oral	N12-R0588	Sport for Children	Pedagogy	Effects of students' spectator experience of "kandoh" on behavioral intention
51158	Oral	N12-R0590	Sport for Children	Pedagogy	Water Competence of Japanese elementary students
51220	Oral	N12-R0591	Sport for Children	Pedagogy	Guidelines for children's exercise during the prevention and control of new crown disease
50442	Oral	N15-R0595	Sport for Children	Nursing, Welfare and Health Promotion	Study on the relationship between indexes of physical fitness and developmental coordination disorder in children
51019	Oral	N15-R0596	Sport for Children	Nursing, Welfare and Health Promotion	Effect of Exercise Intervention of Rope Skipping on Enhancing Elementary School Students' Physical Fitness
51095	Oral	N15-R0597	Sport for Children	Nursing, Welfare and Health Promotion	FOCUSING ON THE EXCEPTIONAL CHILDREN: A SOLUTION FOR THE SUSTAINABLE DEVELOPMENT OF CHILDREN'S EQUESTRIAN IN CHINA
50780	Oral	N16-R0603	Sport for Children	Others	Motor skills assessments in preschool children: a review
50837	Oral	N16-R0604	Sport for Children	Others	Experimental Study on the Effect of Music Sensory Integration Games on the Balance and Mood of Visually Impaired Students
51295	Oral	N16-R0607	Sport for Children	Others	Significance of Young Children's Sport Vigorously Development
51361	Oral	N16-R0608	Sport for Children	Others	Experimental Woodball Teaching Research in Henggouqiao Town Middle School
50129	Oral	O02-R0611	Quality Physical Education	History	A Comparison and It's Enlightenment to Integrating Dance into Physical Education between China and US
51404	Oral	O11-R0619	Quality Physical Education	Aging and Health Promotion	Experimental Study on the Influence of Second Language Teaching on Fundamental Physical Fitness of University Students
50026	Oral	O12-R0620	Quality Physical Education	Pedagogy	ECE Games Empowering Teachers to Teach PE (Case of Solomon Islands)
50436	Oral	O12-R0627	Quality Physical Education	Pedagogy	A study on creativity in physical education lessons in Japan
50500	Oral	O12-R0629	Quality Physical Education	Pedagogy	Accurate Service of Physical Health of Adolescent Students under the Background of New Generation of Information Technology
50501	Oral	O12-R0630	Quality Physical Education	Pedagogy	Teachers' and pupils' views on health and wellbeing in and through physical education in Scottish secondary schools
50674	Oral	O12-R0633	Quality Physical Education	Pedagogy	A Study of Pedagogy to Bring Out Dance Movement in Teachers College
50989	Oral	O12-R0644	Quality Physical Education	Pedagogy	Attribution Theory: A Framework for Motor Skill Equity for Low Skilled Students

The 2020 Yokohama Sport Conference Abstract Results

Abstract_ID	Presentation Formats	Abstract Number	Topic	Discipline	The title of Abstract
51072	Oral	O12-R0650	Quality Physical Education	Pedagogy	Effect of "Media-Portfolio" in PE on Parents
51073	Oral	O12-R0651	Quality Physical Education	Pedagogy	Teachers' Perceptions for Using Heart-rate-monitors in Physical Education
51121	Oral	O12-R0654	Quality Physical Education	Pedagogy	Effect of Olympic Education on sport participation at Shanghai Model Schools
51171	Oral	O12-R0656	Quality Physical Education	Pedagogy	The relative age effect on physical competence in high school Students
51225	Oral	O12-R0659	Quality Physical Education	Pedagogy	Impact of video Feedback on Learning Swimming
51355	Oral	O12-R0664	Quality Physical Education	Pedagogy	Elementary fifth grade students' conception in netball game play: An Analysis of Children's Drawings
50897	Oral	O15-R0669	Quality Physical Education	Nursing, Welfare and Health Promotion	Study on the impact of 12 weeks CrossFit on health fitness and physical self-perception of Non-sports major college girl students
51352	Oral	P01-R0674	Values-based Education	Philosophy	On Logic of Implementing Xi Jinping's Thought of Morality Education in School
50315	Oral	P03-R0675	Values-based Education	Sociology	The role of the Paralympic Movement in achieving broad societal goals through I'mPOSSIBLE
51307	Oral	P03-R0676	Values-based Education	Sociology	The Influence of Danish Gymnastics in Japan : A Case Study of the Physical Education at Jiyu Gakuen
50618	Oral	P04-R0678	Values-based Education	Psychology	Test of Chain Intermediary Effect of the Effect of College Students' Physical Education Satisfaction on Their Mental Health
50795	Oral	P04-R0679	Values-based Education	Psychology	Behavioral problems in vocational students affected by individual and family factors
50336	Oral	P12-R0682	Values-based Education	Pedagogy	On the Feasibility of Sports Helping Teenagers to Get Rid of Internet Addiction
51400	Oral	P12-R0688	Values-based Education	Pedagogy	Examining the lesson structure of the Olympics that forms 'the Olympics literacy'
51273	Oral	Q03-R0694	Sport Technology	Sociology	From the Development Experience of Korean Taekwondo View the Ideas of Competitive Wushu into the Olympic Games
50648	Oral	Q05-R0697	Sport Technology	Physiology	A Novel Approach to Screening Integrated Biomarkers for Sport-specific Monitoring: a NMR-based Metabolomics Study in Sera, Urine and Saliva
50449	Oral	Q06-R0698	Sport Technology	Biomechanics	IMU based shock attenuation analysis between different strike patterns during overground running
50758	Oral	Q06-R0700	Sport Technology	Biomechanics	Kinematic research on push-off phase in flip turn of front crawl swimming
50775	Oral	Q06-R0701	Sport Technology	Biomechanics	Aerodynamics simulation of ski-jumping take-off considering dynamic postural change
50945	Oral	Q06-R0702	Sport Technology	Biomechanics	Kinematics of elite snooker player's upper limbs between different strike force techniques
50964	Oral	Q06-R0703	Sport Technology	Biomechanics	The Kinematics Analysis on the Difficulty Elements of Butterfly and Butterfly 1/1 Twist of Competitive Aerobics
51068	Oral	Q06-R0704	Sport Technology	Biomechanics	A Research on the Measurement and Analysis System of Bioelectric Signals Related to Human Body Dynamic-balance
51183	Oral	Q06-R0705	Sport Technology	Biomechanics	Development of a passive mechanism of transfemoral prosthetic knee for running without unintended prosthetic knee flexion during stance phase
51299	Oral	Q06-R0706	Sport Technology	Biomechanics	Simulation on Different Windsurfing Pumping Amplitude for Propulsion Performance in Upwind Condition
50042	Oral	Q07-R0711	Sport Technology	Management	Recall of Sponsors in Football Console Games
50050	Oral	Q10-R0712	Sport Technology	Coaching and Training	Enhancing Lower Limb Explosive Power by Burst Squat Jump Training under Low-Load together with Blood-Flow Restriction for Elite Table Tennis Male Athletes
50112	Oral	Q10-R0713	Sport Technology	Coaching and Training	Research on the Origin, Method and Mechanism of Sports Vision Training
50955	Oral	Q10-R0721	Sport Technology	Coaching and Training	Automatic classification of offensive and defensive tactical plays in team sports
51130	Oral	Q10-R0722	Sport Technology	Coaching and Training	Application of Heart Rate Variability Index in the Evaluation of Basketball Confrontation Training Load

The 2020 Yokohama Sport Conference Abstract Results

Abstract_ID	Presentation Formats	Abstract Number	Topic	Discipline	The title of Abstract
51313	Oral	Q10-R0725	Sport Technology	Coaching and Training	The Research of Chinese National Table Tennis Team's Preparing for 2020 Tokyo Olympic Games
51386	Oral	Q10-R0728	Sport Technology	Coaching and Training	A study of Y-balance ability of Chinese elite table tennis players
50034	Oral	Q14-R0732	Sport Technology	Adapted Sport	Cascaded CNN for player detection and an adaptive team membership classification approach in ice hockey games
51287	Oral	Q14-R0733	Sport Technology	Adapted Sport	Analysis of French World Cup shooting in Russia World Cup 2018
50119	Oral	Q16-R0734	Sport Technology	Others	Analysis on the application of techniques and tactics of world outstanding woman's Taekwondo athlete Wu Jingyu
50689	Oral	Q16-R0737	Sport Technology	Others	Automated registration and quantitative analysis of motion sequences in speed climbing
50766	Oral	Q16-R0738	Sport Technology	Others	Tactic and Social Network Statistics that Influence Match Outcome for Chinese Football Super League
50931	Oral	Q16-R0740	Sport Technology	Others	Application of eXtreme Gradient Boosting for predicting batting results from batted ball kinematics in Japanese professional baseball games
51001	Oral	Q16-R0741	Sport Technology	Others	Performance comparison among three teams from Chinese Football Association Super League using Social Network Analsis
51013	Oral	Q16-R0742	Sport Technology	Others	Typical basketball movements detection: Influence of number of optical markers
51314	Oral	Q16-R0744	Sport Technology	Others	Simulation and analysis of a sail pumping for energy consumption in upwind condition
51377	Oral	Q16-R0745	Sport Technology	Others	Classification of Japanese professional baseball players by cluster analysis
51246	Oral	Q16-R1060	Sport Technology	Others	Application Research of Real-time Tracking Service Platform for Motion Trajectory in Location-based Service
50841	Oral	R02-R0746	Major Sport Events and Their Legacies	History	Educational, promotional and inspirational activities related to the 1964 Tokyo Olympic Games:Initiatives by private organizations and local communities
50183	Oral	R03-R0747	Major Sport Events and Their Legacies	Sociology	Does Sporting Success Make People Proud of their Nation?:Analysis of East-West Germany and the USA in 2014 FIFA World Cup
50340	Oral	R03-R0749	Major Sport Events and Their Legacies	Sociology	The influence of Beijing Olympic Games
50986	Oral	R03-R0751	Major Sport Events and Their Legacies	Sociology	Study on Successful Bid of Senegal for 2022 Youth Olympic Games
50999	Oral	R03-R0752	Major Sport Events and Their Legacies	Sociology	Characteristics of Olympic Legacy for the Winter Games Beijing 2022
50019	Oral	R07-R0757	Major Sport Events and Their Legacies	Management	Brand new China in creating shared value: legacies of the Winter Olympics in Beijing 2022
50038	Oral	R07-R0758	Major Sport Events and Their Legacies	Management	Empirical Research on The Intention of Mass Skiing Consumption in the Context of 2022 Winter Olympic Games--Based on Extend Theory of TPB model
50597	Oral	R07-R0761	Major Sport Events and Their Legacies	Management	Review and Enlightenment: Research on the Property Right Model of Olympic Venues Based on Sustainable Development
50972	Oral	R07-R0762	Major Sport Events and Their Legacies	Management	Structural Relationships among Event Image, Destination Image, Place Attachment, and Spectator's' Behavior: The Case of Formula One Petronas Malaysia Grand Prix
51448	Oral	R07-R0764	Major Sport Events and Their Legacies	Management	The Effect of Event Service Quality and Participants' Satisfaction on Destination Personality, Attachment and Loyalty of Hengqin Marathon in China: Comparisons of Pre- and Post-Event
50717	Oral	R08-R0765	Major Sport Events and Their Legacies	Growth and Development	Research on the Co-branding and Match-up of Mega Sports Event and Host City
50095	Oral	R11-R0767	Major Sport Events and Their Legacies	Aging and Health Promotion	Active aging and the Tokyo 2020 Olympics: A large-scale survey of physical activity parameters and capacity for behavior change among middle-aged and older Japanese.
50859	Oral	R14-R0770	Major Sport Events and Their Legacies	Adapted Sport	Can the Paralympic Games psychologically empower people with mobility impairments in daily life regardless of their sport preference?
51199	Oral	R16-R0772	Major Sport Events and Their Legacies	Others	Application of Realist evaluation framework to assessing the operationalisation of Tokyo 2020 Olympic education
51316	Oral	R16-R0773	Major Sport Events and Their Legacies	Others	Post Olympic function: sustainable development of Olympic cultural heritage promotes Olympic Culture
50198	Oral	S02-R0774	Sport and Social Challenges	History	The Interactive Study of Political Diplomacy and Sports in Modern East Asia: Focusing on the "Far Eastern Olympic Games"

The 2020 Yokohama Sport Conference Abstract Results

Abstract_ID	Presentation Formats	Abstract Number	Topic	Discipline	The title of Abstract
50318	Oral	S03-R0778	Sport and Social Challenges	Sociology	From Bowling Alone to Playing Sports Together
50834	Oral	S03-R0780	Sport and Social Challenges	Sociology	Social Attitudes and Reflections of Teenagers' Participation in esports
51209	Oral	S03-R0782	Sport and Social Challenges	Sociology	The regulating effect of Social support on athletes' Sports performance under the epidemic situation
51213	Oral	S03-R0783	Sport and Social Challenges	Sociology	Study on the prevention and treatment of bullying from the perspective of school sports
50048	Oral	S04-R0785	Sport and Social Challenges	Psychology	Role of Culture in Sports Psychology: Need for understanding cultural diversity in sports
50641	Oral	S07-R0789	Sport and Social Challenges	Management	Major Sports Events: Facing Public Health Emergency
51140	Oral	S13-R0794	Sport and Social Challenges	Cultural Anthropology	The Influence of Electronic Games on the Spread of Chinese Boxing from the Perspective of Cultural Implantation
50108	Oral	S14-R0795	Sport and Social Challenges	Adapted Sport	A study of exercise at home during novel coronavirus
50216	Oral	S14-R0796	Sport and Social Challenges	Adapted Sport	Effects of Aerobic Boxing on Methamphetamine-Dependent Brain Connections in Women
50547	Oral	T02-R0804	Keeping the History of Sport Alive	History	Historical Evolution of Chinese School Wushu Education from the Perspective of History of Thoughts
50583	Oral	T02-R0806	Keeping the History of Sport Alive	History	Teaching movement techniques at Akabori Elementary School as seen in "Physical Education at our School" (1930)
50632	Oral	T02-R0807	Keeping the History of Sport Alive	History	"Media Technology Advocate": the Narrative Analysis on the Web-Documentary of Olympic Games Broadcasting History
50671	Oral	T02-R0808	Keeping the History of Sport Alive	History	The effects of US sports activities on Japanese sports: Insights into American football played by the U.S. forces during the allied occupation
50714	Oral	T02-R0809	Keeping the History of Sport Alive	History	Towards Sustainable Management in Japan's Sports Museums
50759	Oral	T02-R0810	Keeping the History of Sport Alive	History	Research on the relationship between the Chinese martial arts and the Boxer Uprising
50813	Oral	T02-R0812	Keeping the History of Sport Alive	History	Citespace visualizations of studies on Chinese Traditional Sport Culture from 2015 to 2019
50854	Oral	T02-R0813	Keeping the History of Sport Alive	History	A comparative study between Japanese and Chinese newspaper reports on the 1964 Tokyo Olympic Games : Focusing on the participation of Indonesia and North Korea
50857	Oral	T02-R0814	Keeping the History of Sport Alive	History	A Study on the Process of the Career Establishment of Female Physical Education Teachers before World War II : From the Perspective of Gender
51255	Oral	T02-R0818	Keeping the History of Sport Alive	History	Study on Table Tennis Development in the Republic of China
51288	Oral	T02-R0819	Keeping the History of Sport Alive	History	Keeping Chinese traditional winter sport history alive in the 2022 Beijing Winter Olympics
50087	Oral	U02-R0821	Sport Development	History	The C-E Translation History of Taijiquan
50209	Oral	U02-R0822	Sport Development	History	Ground Golf in China
50124	Oral	U03-R0825	Sport Development	Sociology	Research on the innovative development model of China's smart sports industry under the background of high-quality development
50138	Oral	U03-R0826	Sport Development	Sociology	Deviations in the policies of China's Teenager Physical Health during Implementation: Forms, Causes and Countermeasures
50230	Oral	U03-R0827	Sport Development	Sociology	On the Development of Martial Arts in Today's Society
50729	Oral	U03-R0829	Sport Development	Sociology	2022 Beijing Olympic Winter Games and the impact on Ski Tourism Development in Zhangjiakou, Hebei
50810	Oral	U03-R0830	Sport Development	Sociology	From Zero to Hero: The Development of Elite Cycling in Hong Kong
50827	Oral	U03-R0831	Sport Development	Sociology	Research on the Development Strategy of Wushu Fitness Market under the Background of 5G Era
51134	Oral	U03-R0835	Sport Development	Sociology	Strategies to improve Chinese sports initiative from the perspective of health communication

The 2020 Yokohama Sport Conference Abstract Results

Abstract_ID	Presentation Formats	Abstract Number	Topic	Discipline	The title of Abstract
51436	Oral	U03-R0836	Sport Development	Sociology	The influence of Chinese "Marathon Fever" on the development of School Physical Education
